

Make Decisions Fast

Learn tips to make decisions quickly and move on with your life!

1. What should I eat?

At a restaurant?

Ask the waiter for top 3 recommendations and pick one!

At home?

Have some cereal! There's nothing better than breakfast at dinner!

2. What should I wear?

Too much to do, so little time?

Think about the day and always pre-plan a versatile outfit.

Everything seems so blah?

Layer and accessorize! Old shirts can look new again with a simple addition!

3. What should I do this weekend?

Can't decide between all the invites?

Say yes to the first one you like and don't look back!

Weekends always seem unfulfilled?

Sign up for something you want to do, even if it's alone. Take the risk!

4. What should I buy?

At the mall & can't decide if you love it?

Ask yourself, do I love it? If you love it, buy it! If you don't, don't! If you don't love it now, you won't love it later.

Online shopping?

Pick from the Top 3... especially on Amazon!

5. Have a BIG decision?

Yes! I'm thinking about moving.

Yes! I want to start a business/new career!

Yes! Is he the "ONE"?!
